DEDICATION

If You Want Something Done; Get A Busy Man To Do It

We, the Senior Class of 1952 dedicate this edition of the Keystone to Neva B. Bertamini our friend and teacher who was always willing to help us solve our problems, who managed to make her classes more fun than work, who gave her time to help us with innumerable programs, tickets, school publications, and who presides over one of the busiest and friendliest rooms in the school--the Commercial Room.

ADMINISTRATION

LeRoy A. Nutt

To the Class of 1952, I extend congratulations. Completion of the course of study in the public schools means that you have attained a goal toward which you have been striving for many years. We hope that your public school education has helped you in selecting other goals worth working for in the years ahead.

All members of the faculty and school board are sincere in wishing the best for every one of you. It is our desire that all your dreams of future success and happiness may become realities.

Sincerely,

LeRoy A. Nutt

CLASS MOTTO

Happy Is The Man That Findeth Wisdom

CLASS SONG

(Tune: "The Halls of Ivy")

Sandy Lake, we hate to leave you
Mem'ries flood this parting day,
But we will not forget
Though we be far, far away.
To the halls where oft' we've lingered
Every voice now bids farewell
And finally take our leave of those
We all loved so well.
One day a hush will fall,
The footsteps of us all
Will echo down the hall
And disappear.
But as we sadly start
Our journeys far apart
A part of every heart
Will linger here
In the school we've learned to cherish,
Where we've learned to live and know
That through the years we'll see you
In the sweet after glow.

Imagine:

Delmar Armstrong without a car and a girl.
Bob Boyd eating only three meals a day.
Susie Bruce really breaking up with Del.
Norman Buckley being sent to Mr. Nutt's office.
Dorcas Christy the life of a party.
Jim Clark staying out of trouble.
Phyllis Clayton 5'2" and shy.
David Coulter being a woman hater.
Dot Dolan missing a basketball practice.
Ginny Dye arriving on time in the morning.
Shirley Elder married to a coal miner.
Patsy Farrell without her opinion on politics.
David Gadsby tall, dark, and quiet.
Carolyn Griffin liking anyone except Eddie.
Nina Griffin getting C's.
Chuck Guiler losing an argument.
Fay Guiler not studying in study halls.
Carol Harsh a platinum blonde.
Lois Hart tiny and timorous.
Rose Ann Hart assisting Red Skeleton over TV.
Cleo Hayes not crazy over Bob.
Vera Hicks in a strapless evening gown.
Patty Jack not being a top honor student.
Bill Jacobs without his cigarettes and cowboy boots.
Ginny Jamison being an old maid.
Marylin Love blowing her stack and telling you so.
Joan Lyons with a 22" waistline.
Marilyn Markey seeing a piano, and not playing it.
Twila McQuaid riding wild broncos in a rodeo.
Kinsey Osborne with a harp and halo.
Robert Reash without a red face.
Margaret Schell stuck for something to say.
Mary Slater working as a hat check girl.
Sam Slater among the intellectuals of the nation.
Leon Thompson being stumped by a math problem.
Dick Wescott running for United States President.
Phyllis Walker without her temper.
Marilyn White the "first lady" in the hot rod races.
Elaine Yeagley a dancer starring opposite Fred Astaire.
Harry Rearick becoming a great opera star.

JUNIOR CLASS

Do you remember--

our Junior year at S. L. H. S.?
 how Mrs. Shindledecker and Miss Cruikshank became the victims
 of our pranks in homerooms 3 and 9?
 how happy we were on February 11 --our class rings were here
 at last?
 how we looked forward to seeing our classmates "actors at
 last" in the Junior Play?
 how we sponsored a dance after the Stoneboro game?
 how we elected Harry Patton, president; Richard Marsteller,
 vice president; Shirley Henderson, secretary; and Pat
 Hart, treasurer?
 how we planned the gala entertainment for the Seniors at the
 annual Banquet and Prom?
 how we lost the magazine contest?
 how James Egger was our super salesman?
 how excited the girls were the day Ray Wallace joined our
 class?
 how we missed Irma Bohlender and Joan Shoffner?
 how well our class was represented on the basketball squad?
 how we could hardly believe that we'd return in September as
 Seniors--or will we?

 Mrs. Saxe

Keystone Staff

Calm, cool, and happy though we may look in our picture, how many times we were tired, rushed, and harassed by deadlines, shortage of materials, and lack of time.

The illness of Nina, our much needed Layout Editor, made it necessary for all of us to help in that work; so any discrepancy in the shape of our pictures and the straightness of our pages is due to that fact. Our typists will long remember the valuable experience they received in doing our book with precision and accuracy. Our literary editors, Marilyn and Pat, now know just how hard it is to find the right adjective. All of us will look with pride at this year's Keystone knowing we held some small share in its production.

We look forward to our finished product and seeing our work in print.

The Lakers' first fall baseball schedule was a successful venture in that only one game was rained out. The same program will be carried out next year.

It gave the new coach, Mr. Huggler, an opportunity to become acquainted with the athletic prowess of the Sandy Lake school boys.

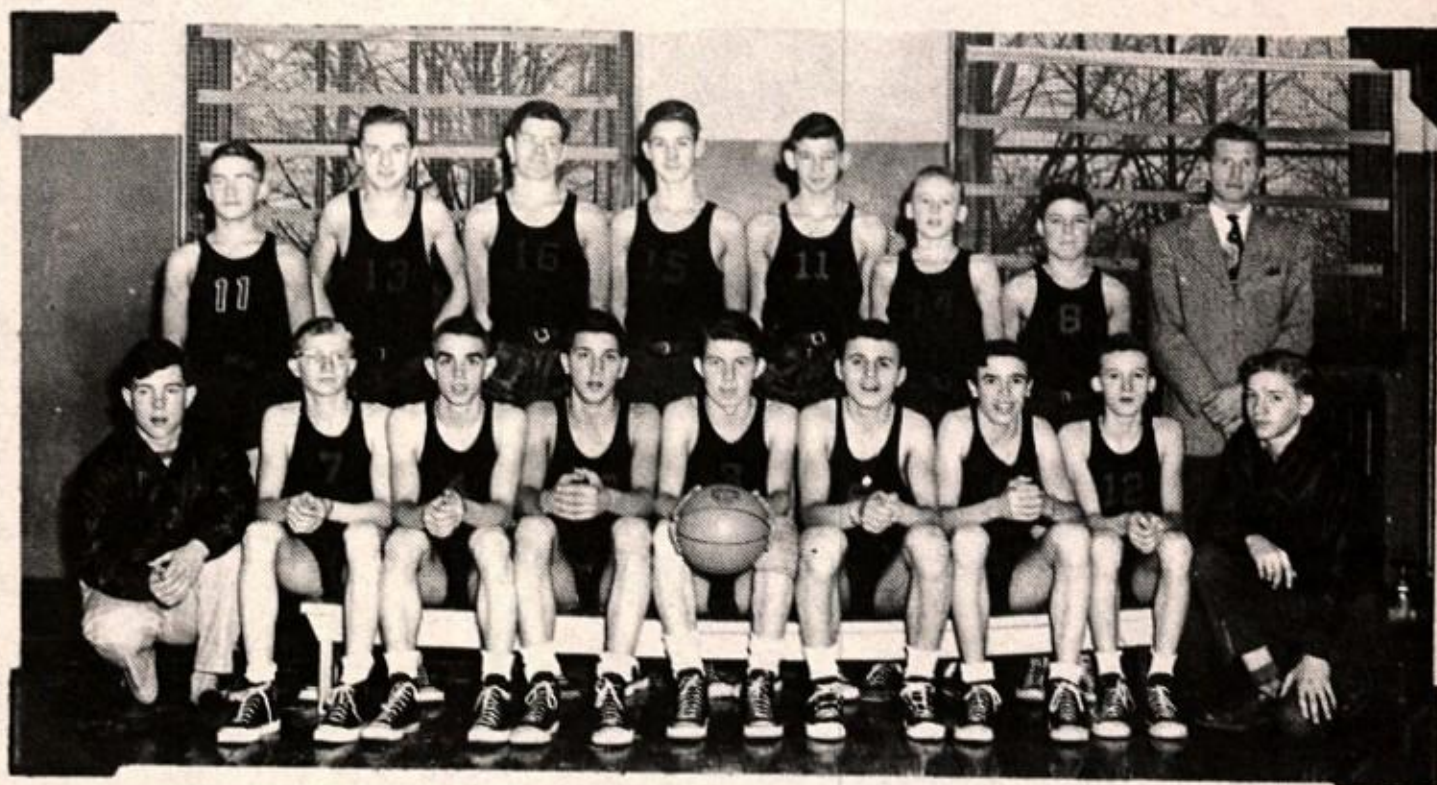

Twenty-four boys reported at the first call and the season ended with twenty-two on the roster.

The majority of the players will be back in 1952 to boost the one win and eight losses to a little higher average.

BACK ROW: H. Harsh, V. Griffin, J. Mazon, R. Clayton, B. Morris, C. Hoffman, K. Morton, Mr. Buff (coach)

FRONT ROW: W. Kimes, L. Urey, R. Jack, D. Burdette, B. Hayes (did not finish season), R. Szymarek (did not finish season), A. Barnes, J. Moore, C. Reynolds

The Junior Varsity was made up of Freshmen and Sophomore boys under the direction of Mr. Buff. They started out the season well with plenty of spirit, but it waned just a little as the league competition got underway. They turned in a stellar team performance before the home crowd at the last game of the season, which was with Hadley. The boys seemed to have caught the enthusiasm of the game and really looked good.

The 1951-52 Basketball season opened with a call for all Basketball talent to report to the gymnasium on November 2, 1951. At the first meeting the boys were introduced to a new basketball pattern, and fourteen weeks of hard work followed. The boys ended the season on a fine note at the expense of Hadley; the score, the largest in Sandy Lake history, was 83-46.

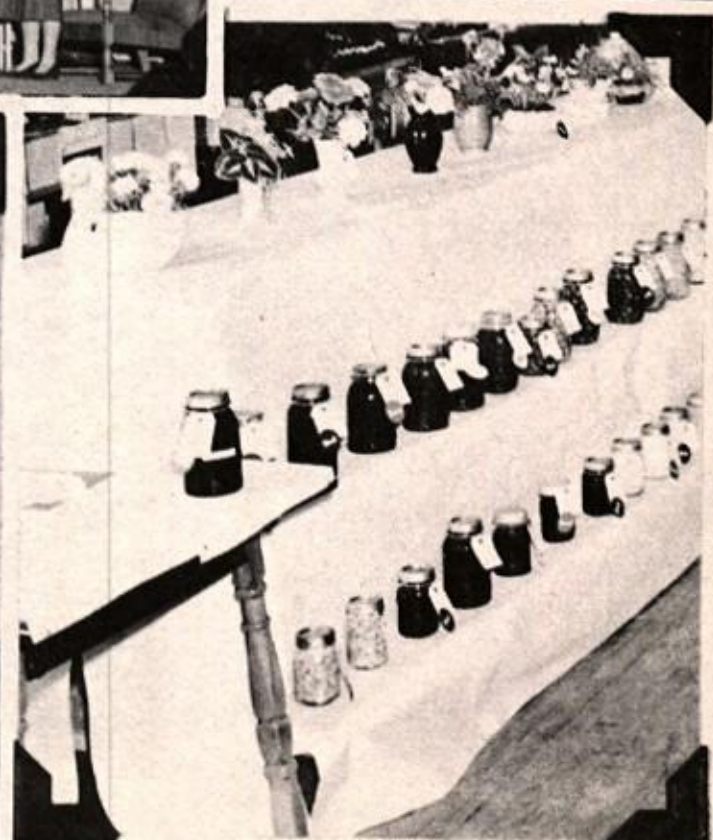

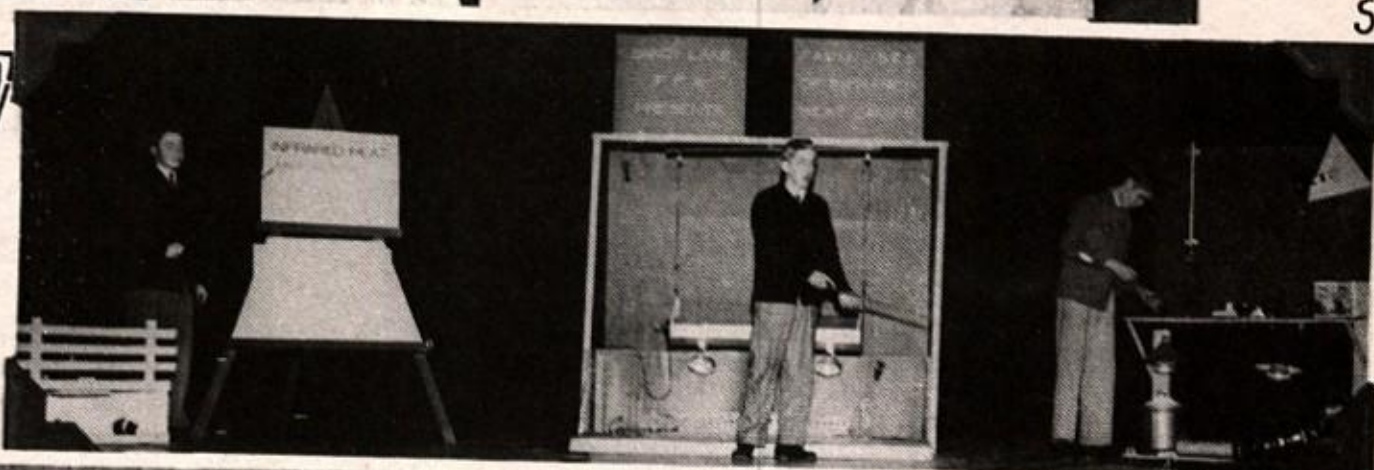

Lost through graduation will be Armstrong, Guiler, Reash, and Wescott. At this writing the tournament has not yet been completed.

Dear Alta;

Remember the fun we always had
7th period. And the dice games in study-
hall. Don't forget how bad we always
acted in Mrs. Gordons "Good as gold, and
you'll learn how to pass it you don't
know Algebra." Remember the night
of the Jr.-Sr. Prom. Don't forget how
mad at me used to get at "Stud Baker,"
and about the note you wrote to her
one day. Remember the night I stayed
with Sondra, and we went into Vengolds
and met that guy from Titusville named
N. N. Remember how K. B. accused me of
being some monkey. Remember the night
you were going to keep kids. That was
the night you couldn't go skating. Do you
remember the time we went to the football
game at Sharon to see the Pitt Band march?
Remember the fun we always had together
in his school.

Stay as sweet and pretty and smart
as you are now, and you'll be perfect.

Always a friend,

Nancy

P.S. you need a
better pen. don't
blame me for this

Dear Alta,

Remember the good times we've had in Algebra Class. Remember when we have tests in Algebra every body copies from every one else. Remember today when I almost broke your arm. Remember the time I threw your pen out the window + had to go out + get it. Remember in Civ's class when you sat in your seat + winked at me. Remember when we had planning party for the freshmen class dance. Remember English class when nobody does any work + we still get good grades. Remember the time you got mad at me for what I wrote in Shirley Foster's Yearbook. Remember the sevenths period study hall + how mad "Cookie" gets. Did you learn anything in Algebra Class this year? I didn't either. Remember how mad "Cookie" gets a Jim Moore in Civ's Class when he don't get his work done. Remember when you, Sandra, + Nancy were cheer leaders for the junior High basket ball team.

P.S. You have a very A School friend
good pen.

Dear Alta,

Remember all our little gab sessions in Mixed Chorus about a certain fellow we know. Remember all the times you came to Gracie and I with your troubles to get advice, which wasn't always so good. Especially the time of the prom. Remember all the games we went to on the bus and how we flirted with all the men. Remember the good time we had at Jamestown, at the basketball game, when those fellows followed us to Sandy Lake. Remember all the fun we had at our home games sitting together.

Remember all the good times we had, sitting together in study hall, and how we ran each other competition.

Remember all the times when you kept kids and hoped someone would come. Remember all your men, Bob, the Roy, Bill, Ronne etc. and the trouble you had deciding among them. May you have success in everything you do and Good Luck to you always.

Love

Pat Hart
